The town people are very grateful for the Govt. communique re the control of foodstuffs & it has come most opportunely & it certain to ease the situation very soon —

I would earnestly solicit the Swamisahib to get the Buonaparte & direct the steel & Krupp motors of the Imperials as the price supplied by the former are far superior to those the merchants have supplied previously — of

TO

C.S.Balasundram Iyer, Esqr., B.A.,
Chief Secretary to the Government of Mysore.

Sir,

I have the honor to return herewith Mr. Chengiah Chetty's letter to the Private Secretary to the Dewan, which was forwarded to me with your No. G.16545/P.P. 24-19-108 of the 20th instant. The advice and suggestions which this gentleman has been good enough to proffer might have been of use if he was conversant with the circumstances. A perusal of the Government of India's press communique of the 24th December 1919 which was published in all the daily papers may have shown him that in future all rice to be purchased from Burma has to be obtained through the Rice Commissioner and cannot be got from Steel Brothers or any other Rangoon Millers or Merchants. I do not know what opportunity he had to test the quality of the rice purchased from Messrs. Steel Brothers,but I am unable to endorse his statement that the rice supplied by this firm"was far superior to what the merchants had supplied previously"

I have the honor to be
Sir,
Your most obedient servant,
Matthan
Food Controller & Director.
